## Axbridge Community Civic Award

## 2017

## Citation

This award is given to **Wendy Mace** for her outstanding contribution to the community of Axbridge.

Wendy has for many years been one of the most passionate members of Axbridge Community Theatre, ACT, totally committed and liked by all.

Wendy has played many and varied key roles in ACT productions when her performance has been dedicated, meticulous and thorough and always convincing, colourful and joyous.

She has been a director of ACT, directing productions of "Pygmalion" and "When We Are Married". She has also proved invaluable as Wardrobe Mistress. This is a task that requires infinite patience and meticulous planning. This role has been carried over into the Axbridge Pageant with which she has been heavily involved.

As a result of her involvement with ACT, Wendy's legacy to Axbridge has been the formation of Young Act. Young Act has given many Axbridge children the opportunity to hone their enthusiasm and talent. This they have been able to share via various performances, including involvement in the Pageant and regular productions of the Nativity at the annual Christingle Service in church.

Wendy has also been a key member of the carnival committee over many years, catering for the carnival lunch which subsequently grew to include a Civic Lunch for the Axbridge Mayor and visiting dignitaries. She has supported many Axbridge events by providing catering services at various fund raising events, including the Axbridge Harvest Home Lunch.

On behalf of the Axbridge community, thank you Wendy for having given us so much.
