Ad-hoc – Facilities and Neighbourhood Plan

Notes

- Meetings would only be convened if there was enough business.
- The above is only a framework which can be altered after agreement with the chairman of the meeting and the clerk.
- Also, it was proposed that the Facilities Advisory Group's remit would be to seek and acquire facilities. After acquisition, facilities would be transferred to an appropriate group or committee to manage.

It was noted that standing orders state that advisory group meetings should be held in the Town Hall, if a member of that group wishes that to be the case.
