DRAFT MINUTES OF THE MEETING OF AXBRIDGE TOWN COUNCIL HELD IN AXBRIDGE TOWN HALL ON MONDAY 11 MARCH 2024

Meeting commenced: 7.30p.m.

Meeting concluded: 8.51.p.m.

Present: Councillor Mitton (Mayor), Ham, Jenkins, Jordan, Taylor, Thomas, Wells and Willis

Also in attendance: Mrs V Brice (Town Clerk) together with Somerset Councillor Ferguson (for part of the meeting)

58.23 Apologies for Absence

RESOLVED: that apologies from Councillor Browne (personal commitment), Mearns (ill-health) and Page – Deputy Mayor (personal commitment) be received and approved.

59.23 Draft Minutes of the Council Meeting held on 12 February 2024

RESOLVED: that the minutes of the Council meeting held on 12 February 2024 be approved as a correct record and signed by the Chair subject to the dates and months shown in the minutes relating to the Monthly Financial Report and the Highways Report being corrected.

60.23 Declarations of Interest and Application for Dispensations

Declarations of Interest:

<u>Councillor Taylor</u>: declared a Disclosable Pecuniary Interest in relation to the planning application 21/23/00017/DT regarding proposed changes to conditions to the gas-powered energy generation facility (minute 181.23(b) refers) and would leave the meeting during consideration of this item.

Dispensations: no dispensations were needed for the meeting.

61.23 Reports

ORGANISATIONS	REPORTS
Police	The Council received the crime statistics for February 2024.
Somerset Councillor Ferguson	Somerset Councillor Ferguson had attended the Local Community Network (LCN) meeting, had been involved in a flooding matter and was still assisting in the laptop Donate It scheme. Members would promote this scheme which enables those eligible to apply for a refurbished laptop.
Somerset Councillor Ham	Somerset Councillor Ham updated on the LCN and specifically plans to set up a Highways Sub Committee, with interested parties, to look at highways and active travel matters.

62.23 Public Participation - none

63.23 Written Reports – Outside Bodies

<u>Axbridge and District Museum Trust</u> – members had previously received an update on the last meeting.

<u>Batts Combe Quarry Community Liaison Meeting</u> – Councillor Taylor had attended the last meeting. The minutes would be circulated in due course. Grant requests could be made where appropriate.

<u>Church Fete</u> – the church fete would be held on alternate years going forward – with Axbridge Open Gardens taking place this year, and the fete in 2025.

64.23 Committee and Group membership - Group membership was up to date.

65.23 Planning

a) Report of the Chairman

Work had commenced at Houlgate Way. There had been a few comments in relation to the fence. Correspondence had also been received regarding the former Axbridge Court Nursing Home and the Clerk had/would respond accordingly.

b) Planning Application

At this juncture, Councillor Taylor, having declared a Disclosable Pecuniary Interest in this item, left the meeting.

Planning application number: 21/23/00017/DT

Proposal: Variations of conditions 2, 4 and 6 of Planning Permission 21/20/00003 (Development of a gas-powered energy generation facility and associated infrastructure for a temporary period of 25 years.) to amend soft and hard landscaping.

Location: Land To The South West Of, Townsend Farm, Prowses Lane, Townsend, Axbridge, Somerset, BS26

RESOLVED: that Somerset Council be advised that Axbridge Town Council had no observations to make on the above-mentioned application.

At this juncture, Councillor Taylor re-joined the meeting.

66.23 Administration and Finance

a) Report of the Chairman

Members received the report following the meeting of the group. The key items are set out below. The group had agreed that the Town Council should no longer pay for a PO Box given the limited post being received. Contact details were on the website should any post be returned to sender by the post office. The official postal address would be The Council Office at the Church Rooms for all communications.

b) Open Spaces Contract

In accordance with the previous decision the Clerk had written to all the contractors to extend the contract by one year. The contractor for the hedge works would be happy to continue but would need to increase his price for the coming year, due to increased costs. The existing contractor for the open spaces work at the allotments and cemetery had provided a quote to carry out additional work to the allotment paths and to treat and manage the moss at the cemetery as previously agreed. **RESOLVED:** that the additional cost of the hedge cutting works (£70 plus VAT) for the coming year be agreed; and the quotes for the additional allotment work and cemetery work (£520 plus VAT in total) be agreed for the coming year.

c) Monthly Audit Checker

Councillor Wells would be happy to be involved in the checking of the accounts. She had undertaken this role previously.

RESOLVED: that Councillor Wells be appointed as a bank reconciliation checker.

d) Draft Calendar of Meetings

Members considered a draft Calendar of Meeting for 2025. Members only wished to confirm/agree the dates for the new Council year (May 2024 – May 2025) and the Clerk would present a revised calendar to the group for consideration.

e) Community Table

The bus group would use the community space in April 2024. Somerset Council would like it on 1 June 2024 to promote the volunteer driver role. Local groups would be able to borrow a table from the church rooms, if required, subject to certain provisions.

f) Monthly Financial Report

Members received a monthly financial report for March 2024 setting out the payments for ratification and authorisation together with recent invoices and payments for ratification. The Clerk also advised that the Council had not been invoiced by Adams Memorials for the past provision of 14 foundation bases at the cemetery. These bases had been included in the cemetery fees charged and the Council agreed that payment should be made.

The financial report also included the receipts received and direct debit and standing orders payments made during February 2024. The report advised that the SSE contracts had finally been uploaded to the site – so this should be all rectified shortly.

RESOLVED:

1) that the list of payment of invoices (including those recently received) be ratified and approved together with payment to Adams Memorials in the sum of $\pounds 560 - to$ be paid upon receipt of invoice (complete list attached at Appendix A); and

2) that the Direct Debit and Standing Order payments for February be ratified and the receipts for February 2024 noted (Appendix A)

67.23 Highways Advisory Group

a) Report of the Highways Advisory Group – February 2024

Members received the report of the Group. The key items are set out below. The Chairman would speak with the Town Trust regarding the siting of the sign for the disabled bay in The Square.

b) Town Car Park signs

The Council had previously agreed that the Clerk, in consultation with the Chairman, be delegated to arrange for the repair/works to the car park signs to be undertaken using the most cost-effective method to enable this matter to be progressed; and that the additional car park sign and two defibrillator signs be purchased. The Group had recommended taking the

opportunity to revise/update the wording on the notice boards and considered the new wording at the meeting – which just set out the key regulations more clearly. The quote for these two regulation sign was imminent and the Council wished to get the signs installed as soon as possible to regulate the situation.

RESOLVED: that the wording of the car park regulation signs be agreed and that the Clerk be delegated to place the order, following consultation with Chairman and highways members (if the cost was not as expected and members had any concerns, this matter would be brought back to Council).

c) Town Gateway Sign

The Council had previously agreed the purchase of the gateway signage for installation at the top end of Cheddar Road with further costings to be obtained for the posts. The group suggested the siting of the sign near by the 40pmh sign (by Barnabas Close) – with the size of sign and height of posts to be confirmed. A site meeting was being arranged with Somerset Highways.

d) Speed Indicator Devices

The Council had previously agreed to sign the Memorandum of Understanding. However, Somerset Council had raised a question regarding the insurance of the cameras and the matter had been further discussed by the group. The requirements in the documentation conflicted with the discussion held with the Speed Watch Group. A letter had been sent to the group representatives accordingly. The Council appreciated the work of the group and hoped that there was a way forward without adding an additional burden of cost on the electorate.

e) Highways Matters

<u>Lining works</u> – the report included a list of lining requests. Members were asked to let the Chairman know if anything needed to be added. It was noted that the 30mph roundel at the top of Cheddar Road needed refreshing and this would be added. Some of the bollards along Old Church Road had also been knocked down.

<u>Chapter 8 Training</u> – Councillors Page and Willis had attended this training which had been re-assuring as far as their involvement with the Sport and Social Group was concerned.

<u>Verge cutting</u> - was an ongoing topic at the Local Community Network meetings and Somerset Council would be issuing a timetable as to when they would be continuing to cut the verges this coming year.

<u>Potholes and road surfaces</u> – these were generally deteriorating and specific concerns would be raised with Somerset Highways

<u>Townsend Drain</u> – this was no longer draining with a lot of water now gathering at this junction. This would be further raised with Somerset Highways.

<u>20mph sign – Houlgate Way</u> – it was understood that the sign had been removed when the lamppost was taken down. The timing to reinstall the street lighting was not clear and the 20mph sign needed to be in place. The developers would be asked to ensure the sign was reinstated (and provide a post if necessary).

68.23 Cemeteries, Allotments and Open Spaces Group

a) Report of the Chairman

The group had not met recently. The next meeting would be held on 18 March 2024. Several allotments remained empty (two of which were very overgrown). The allotments would be advertised and further considered at the meeting. The Chairman would also inspect the new path at the bottom of the cemetery which had been provided to assist access to the older part of the Garden of Remembrance. It was noted that a resident may have some free paving slabs available. The entrance sign to the cemetery would be gilded as soon as the weather improved.

b) Allotment Path works

The Council had previously agreed works to address the subsiding path by Plot 2B (levelling and fencing). The tenant had raised some concerns about the intended works. It was necessary to ensure that the path was safely accessible.

c) **Open Spaces Matter** - none

69.23 Leisure and Recreation

a) Report of the Chairman

Members received the report of the Group. The key items are set out below. The litter and bin contact had been renewed for the coming year and remained within budget. The furlong car park fencing was in hand and materials had been ordered to carry out maintenance works at the Changing Rooms and Public Conveniences.

b) Play Area and Public Conveniences Logs – February 2024

The logs had been completed and checked by the Chairman, who updated members.

RESOLVED: that the Play Area and Furlong Safety Check Log and the Public Convenience Log for February 2024 be approved and be signed by the Chairman of the Group.

c) Fixed Wiring – Changing Rooms and Public Conveniences

The inspection and testing on the fixed wiring at the Changing Rooms had taken place and the Condition Report received. The Conditions Report following the inspection at the Public Conveniences was expected imminently. Recommendations for improvements had been made/ were expected and the reports would be discussed by the Group in the first instance.

d) Signs – Play area

The Council had previously agreed to the provision of two no ball games signs.

e) Town Maintenance Contractor

The Town Maintenance Contractor had worked 16 hours during February 2024. 4 hours had been spent litter picking the furlong and car parks, clearing gullies, tidying up and removing rubbish from the cemetery, 6 hours creating the path at the cemetery, 3.5 hours tiding up the corner of the car park and 1.5 hours cleaning the bus shelters.

70.23 Personnel and Protocol Committee

a) Draft minutes of the Personnel and Protocol Committee meeting – 26 February 2024

Members received the draft minutes of the meeting held on 26 February 2024.

b) Civic Service

The Civic Service held on 3 March 2024 had been a lovely occasion and well attended. The Mayor thanked all those involved. The Clerk would arrange for a press release with photos. **RESOLVED:** that a donation of £50 be made to Cheddar Guides and Rangers for their assistance in serving refreshments.

c) Mayor's Banquet

The Mayor hoped to hold her Mayor's Banquet on 20 April 2024, subject to ticket numbers.

71.23 Strategic Planning

a) Report of the Chairman

A meeting would be arranged shortly.

72.23 Nomination of Mayor and Deputy Mayor

The Chairman sought nominations for Mayor and Deputy Mayor for 2024/25. Councillor Mitton nominated Councillor Page as Mayor, which was duly seconded. No other nominations were received.

Councillor Mitton proposed Councillor Ham as Deputy Mayor, which was duly seconded. She had submitted her interest in this role. No other nominations had been received or were forthcoming.

Members noted that the Annual Council meeting and Mayor Making ceremony would be held on Monday 13 May 2024.

RESOLVED:

1) that Councillor Page be nominated as Mayor for 2024/25 (Councillor Mitton and Councillor Ham); and

2) that Councillor Ham be nominated as Deputy Mayor for 2024/25 (Councillor Mitton and Councillor Wells)

Agenda 8.1 Axbridge Town Council Administration and Finance Advisory Group

April 2024 Report for Council.

Meetings. A meeting was held on 4th April at 7.30pm by Zoom, hosted by the clerk. Members Present: Councillors Jordan, Page, and Taylor (in the chair) and Clerk to the Council Mrs Brice. Apologies: Councillors Ham, Mitton.

Accounts. Reports generated by Scribe were circulated to group members by the clerk for the A&F meeting. These showed the financial position at the end of March which was also the end of the financial year. The data was checked by the members and no concerns were reported.

It was agreed which documents would be issued to councillors for the April Council meeting. These will be presented to members of Council for adoption. If the financial reports are adopted by Council, they will be signed by the Mayor and the Clerk. These documents will be used to produce the reports required for the external audit due shortly.(Agenda Item.)

- **Compensation Scheme for Bank Failure**. Various banks have been contacted to see what suitable accounts are available. The group members will make a recommendation to Council.
- **VAT on the hire of sport facilities.** Due to a recent successful challenge against HMRC rules, there is no longer a requirement to charge VAT on the use of Town Council facilities for sport. (Other activities using any facilities will still be subject to VAT.) So future bookings by the football clubs will no longer be liable to VAT. It has also been agreed that any VAT paid on bookings in the last four years can be claimed back. The clerk has sent in a claim. It remains to be seen what happens.
- **Office Equipment.** Members agreed that additional shelving and two fireproof document bags should be purchased in order to improve the filing facilities.
- Asset Register. All items have now been recorded on the Scribe software system and their values entered such that the end of year reports from the system can be used for the annual returns to the external auditor.

Grant Requests.

Victim support. This will be added to the Type A list to be considered in September. (Council has supported this charity in the past.)

Mendip Community Transport. This is already on the list.

Axbridge Carnival Committee. Group members recommend to Council that the Carnival Committee be given financial support.

(Agenda item.)

Next Meeting Date. Monday 29th April 7.30pm by zoom.

Highways Report for meeting Monday 8 April 2024

Signage

- Defib. signs for the Square and the new signs for the Town Car Park have been delivered. Andy has been asked to put them up as soon as he can.
- Disabled parking in The Square, following the white lining: we are still waiting to see if we can put the sign on The Old Market Shop. If this can't be achieved we will have to have a new post. The cost should be Highways.
- Town Gateway: Pauline is meeting Aileen from Highways on Tuesday 9 April to discuss the options for the sign and road markings.
 The Axbridge sign just before the turning into Axbridge from the A371 is hidden by all the hedging and trees. This is quite a new sign so we will consider the possibility of moving it and using it as one side of the gateway sign, with a drive safely through our town addition to it.

Black bin in High Street

• The black wheelie bin on the pavement by the flats at the Old Butcher's has been taken away.

Cross Lane Footpath.

We have received a copy of the letter the Cross Lane committee has sent to Somerset. It appears they are asking for support from Somerset and not, as we had thought, that they already have support in place for an officer to talk to the landowners. We sent a letter of notional support if action from Somerset is in place. They have not requested any response from us but Frankie and I are willing to meet with representatives from the group, if they wish, to discuss their business plan.

Houlgate Way

• A meeting has taken place between the contractors and highways. We sent various questions for updated information and this is the email the clerk has received.

I had a meeting with TM at Houlgate way . We are going to start off with traffic lights and then go to rolling road closure for the raising main until that is completed. Then we have full closure to plan and wearing course both of the site entrance. We will need to look at the entrance to the doctor's surgery to get patient in and out, may need to road plate to trench across the entrance. Do want us to discuss with the surgery or that something you can do ?

• There doesn't seem to be any update to lighting reinstatement, the 20mph sign, our concern about the trip hazard where the kerb is higher than the footway or the other various questions we asked.

SIDS

• Frankie and I are meeting with Tony Strange and Ric Canhan before the next meeting, to see if we can proceed the situation.

Pedestrian gate into the Town Car Park.

• All agreed, no longer to be an agenda item.

Maintenance and Repair

- Andy is repairing the damaged wall in The Moorland Street car park.
- The bench at the top of Parkfield has been repaired.

Flooding/drainage

• Somerset has a programme in place for drainage clearing and for pot holes. Following our request reference the flooding at Townsend and on the by-pass at the top of Wood Lane they have agreed to move this up the priority list.

STOP signs at Townsend

- Action: to ask the clerk/assistant clerk to ask the police if we could have a camera sited to enforce the STOP signs on the slip road. We think this should generate an amount of income in fines and once drivers realise they will be fined they will stop. **Highways Services Devolution Officer**
- This is a service that Somerset is offering if communities would like to buy in. We don't feel Axbridge would benefit for the service. It will be discussed at the LCN meetings. Anyone is welcome to attend these meetings.
- The LCN group is setting up a sub-group to look at highways, including travel plans initially. We will be contacting relevant groups within Axbridge to see if they would like to be involved. (Not named here as they have not been asked yet.)

Street Lining and Gateway (cut-off date 1 May)

- Here is the list of identified lining and other requirements (this is a live document/list)
 - > A371 within the Axbridge boundary refresh markings
 - Cheddar Road roundels and bus stop refreshed
 - End of Hippisley Drive double yellow lines extended into Cheddar Road <u>new.</u>
 - Hippisley/Parkfield bus stop markings refreshed.
 - Jubilee Road, opposite Orchard Road: double yellows lines <u>new.</u>
 - St Mary's Street All the markings need refreshing.
 - Moorland Street double yellow lines refresh.
 - Moorland Street white line at entrance to the Furlong refresh
 - Moor Green double yellow lines in front of Moor Green Cottage and Walnut Farm – <u>new</u>.
 - Bailiffs Close double fellow lines going round both sides at the junction with Moorland Street – <u>new.</u>
 - Old Church Road the white lines have been refreshed with the lining in The Square.
 - Old Church Road/Meadow Street double yellow lines refreshed, including into the Town Car Park.
 - Houlgate Way new and refreshed lining (Building works have an effect on lining here).
 - Entrance to St John's Court double yellow lines refreshed
 - > Road markings for a Gateway entrance at top of West Street.
 - Townsend all the markings need refreshing.

New street sign for Hippisley Drive

Bollards need replacing in Old Church Road.

Can we put something in place on the not round-a-bout at Townsend to prevent buses/lorries driving over the edges. The mud this creates on the road presents a danger.

Please let us know if you see any omissions.

Outstanding items

- Prowse Lane footpath remains unresolved.
- The kissing gate still needs to be put in place.

Cllr Pauline Ham

Agenda Item 10.1

CAOS Report

Cemeteries, Allotments & Open Spaces Advisory Group

18th March 2024

Zoom meeting start: 8.00pm Finish 8.45pm

Apologies: Andrew Mearns and Frankie Mitton

Allotments

- Due to the lack of waiting list and number of vacant plots, it was agreed to 'explore the option' of allowing new tenants from outside of the Parish boundary. Assistant Clerk to contact Cheddar Parish Council for advice as they rent to non-Cheddar residents and will report back to CAOS.
- It was agreed not to have plots 10A and 10B cleared at this time but to wait and reassess the situation once the other available plots have tenants.
- Cllr Mitton to advertise on Facebook, Cllr Jordan to contact her.
- Subsiding path by Plot 2B. Assistant Town Clerk to arrange a meeting with councillors on site to review/reassess the path and options before contacting tenant.
- The side paths and spraying of hogweed have now been added to the Open Spaces Contract. No further action required.

As financial year end, to assess annual income and expenditure. The Assistant Clerk to report back to CAOS Advisory Group with figures. If allotments are running at a loss, CAOS must justify any % rent increase.

Cemetery

• It was agreed for annual cemetery inspection to happen after 20th May preferably on a Wednesday morning.

• New path in the Old Garden of Remembrance has potential issues with width and the riser possibly being a trip hazard. Cllr Jenkins and Browne to assess and report back findings.

• Path maintenance of moss and overgrowth has been added to open spaces contract. No further action required.

Opens Spaces

Nothing to report

Any other Business

• Assistant Clerk to contact Andy Laken/Mens shed for quote to make a new notice board.

• The gate post into the allotments has not yet been sited but is on Andy Laken's list of jobs to do.

• Gilding of the Cemetery sign will be done by Andy Laken when the weather permits.

• SPAG meeting 20 March 2024 - parking on land in Chestnut Avenue. Cllr Browne to raise the question does an application for grant funding need to be filled in by the CAOS Advisory Group?

• Waste bin at Cemetery is visible from cycle path and being used as a public litter/dog bin by people passing. It was agreed that the Assistant Clerk contact Andy Laken to move the bin out of eyeshot to resolve this issue.

Date of Next Meeting

15 April 2024

Leisure and Recreation meeting held Monday 19 February 2024

(and updates)

Present: Pauline Ham, Graham Page, Frankie Mitten, Mike Taylor

Apologies: Andrew Mearns, Mike Taylor., Richard Willis.

Signage:

- We have received the 2 new No Ball Games signs.
- We will consider the wording for a car park sign, to reflect the parking regulations in the other car parks.

Maintenance work

- The car park fencing: to be completed as per previous minutes.
- <u>The changing room</u>: the fascia boards and fixings have been received. Darren will paint the changing rooms later in the year, when the weather has warmed up.
- <u>The public conveniences:</u> Darren has painted most of the toilet external walls; the grey colour has received many compliments. A patch on the wall facing the car park is very wet and needs to dry before painting can be completed. The plumber has investigated the issue but cannot find any issue inside the toilet cistern. We need to investigate further as the damp appears to be coming from the inside.
- <u>The drinking fountain</u>: Cllr Page is going to see if he can repair the tap.
- <u>Changing rooms</u>: Darren to be asked to replace the missing light pull-cord in the disabled toilet in the changing rooms.

Safety check Logs (these will be tabled at the Council meeting)

- To be received.
- Darren has supplied the clerk with electric meter readings for both changing rooms and toilets. This is to be added to the logs to enable regular monthly updates.

Toilets

- We are keeping a watchful eye on the toilet doors to see if we can carry out repairs if necessary of if we need to cost new doors!
- L&R members will clear the storage area.
- The external lights have been repaired. All are LED and on timers.

Fixed wiring and electric works.

- We have received the condition report for the fixed wiring in the changing rooms and the toilets. We have requested costs for the work and priorities.
- Once we have costs we recommend that any work is agreed and carried out in one visit as this will be most cost effective..

Outstanding matters.

- The football club has been asked to remove the discarded metal goal posts.
- The L&R group will arrange removal of the old external electric cover.

Container for The Pageant props:

After consideration of various sites we have identified the only suitable site.

With Council members agreement the Men Shed committee has agreed that a container can be sited in Shortlands, at the top left corner of the field as accessed by the top gate.

There is already hard standing for a shed. The Pageant/Players will be asked to sign an agreement:

- Use is restricted to the internal space of the container.
- Nothing must be left outside the container or anywhere else within the field.
- Access is restricted to the container only. Roaming the rest of the field will not be permitted.
- The gate to Shortlands must be kept locked at all times and the access code for the gate restricted for members use only.
- The Men Shed and Axbridge Town Council accept no responsibility for the container or its contents.

We will contact the Pageant Committee once the Council has agreed. They have not been informed of the decision yet.

Cllr P Ham

Axbridge Town Council Draft Minutes of the Personnel and Protocol Committee held on Monday 25 March 2024 in Axbridge Town Hall

Meeting commenced: 7.15pm

Meeting concluded: 7.50pm

Present: Councillors Mitton (Mayor), Page (Deputy Mayor), Browne, Ham and Taylor.

Also in attendance: Mrs Brice, Town Clerk

116.23 PS Apologies - none

117.23 PS Declarations of Interest – none

118.23 PS Minutes of the Committee Meeting held on 26 February 2024

RESOLVED: that the minutes of the Personnel and Protocol Committee meeting held on 26 February 2024 be approved as a correct record and signed by the Chairman.

119.23 PS Public Participation – none.

120.23 PS Storage and Embellishment of Maces

No further update - Councillor Ham would speak with the Men's Shed regarding the possibility of making a storage box and how best to embellish maces. The curator at the Museum may be able to advise.

121.23 PS Mayor's Chain and Robes

The Mayor would approach a company in Wells regarding the cleaning of the Mayor's robes. The Clerk would seek a formal quote for the refurbishment works to the Mayor Chain - the design for which had previously been agreed. This item would be included on the council agenda for approval of the costs. It was hoped that the works would be complete in time for Mayor Making.

122.23 PS Mayor's Banquet

There were insufficient ticket numbers to enable the Mayor's Banquet to proceed in its usual format. Alternative options were discussed and would be considered by the Mayor.

123.23 PS Mayor Making

The Annual Council and Mayor Making Service would be held Monday 13 May 2024. The invitations would be sent out shortly and catering would be arranged. It was suggested that, in the absence of the Sergeant at Mace, perhaps one of the councillors could undertake this role for the evening.

124.23 PS Responsibilities and Organisation Structure and Contract

Members had previously discussed proposed revisions to the draft job description for the Facilities Manager. The extent of the tasks would be further considered. A diary was now being kept.

125.23 PS Kings Portrait

The Kings Portrait had been ordered and should be delivered over the coming month.

126.23 PS Celebrating 50 years of Axbridge Town Council

Members confirmed that they wished to celebrate 50 years of Axbridge Town Council by combining this celebration with the carnival lunch (with a walking entry - including past Mayors). This would be kept on the agenda to enable arrangements to begin early summer.

127.23 PS Date of Next Meeting

RESOLVED: that the next meeting be held on 22 April 2024.
